Chapel Offering

For the month of May, our offerings will help support Rachel Mukami, an orphan in Kenya. Our offering will help provide for her education, clothing, and food.

So far, we have collected \$199.09.

Lunch Money—Please check the status of your child's lunch ticket. You will be billed for any lunches not paid for and report cards will be held until outstanding fees (including lunch, kids club, pictures, etc.) are paid.

Report cards will be ready for pick-up in the school office on June 9th; if not picked up by Friday, the 11th, they will be mailed home. (This is different than we've done it in years past.)

GASSO (GA Student Scholarship Organization) - It's not too late to make a donation that can be used as a 100% tax credit on a Georgia Income Tax Return. Even a \$200 redirection of your state income tax money can make a huge difference in the services that we can provide as a school (and anyone paying Georgia taxes can participate). LEAGUE—Parents with students interested in the FIRST LEGO League robotics programs should contact Vince Westin (vincwestin@gmail.com). FLL is an engaging program where students solve challenges and learn skills in multiple areas. Details of the work our team did for the 2009-2010 season can be found at <http://bit.ly/Robovator>. We will be doing robotics training over the summer, so those interested in participating next year should speak up soon.

Junior Girl Scout Troop

2233 is proud to announce that they have earned the Girl Scout Bronze Award for community service, which is the highest level scouting award a Junior Girl Scout can earn. Troop members are Sarah Barnett, Angelica Barnett, Elysia Bistrica-Champion, Brittan Hill, Colleen Welker, Rebecca Westin and several girls who do not attend Faith Lutheran. The girls earned this award by working over 20 hours on a Service Unit Bridging Ceremony where there were over 100 people in attendance. The planned every detail and executed the entire program with minimal support from adults. The event was a huge success. Please join us in congratulating these girls when you see them.

You can help enrich the education of students at our school by buying and drinking the products you and your family already enjoy every day! All you need to do is pick up My Coke Rewards points and donate the points to our school. My Coke Rewards codes can be found on over 200 coca-Cola products, when you count all the flavors and sizes.

Codes can be found under the cap, inside the packaging or on shrink wrap packaging. Don't confuse the UPC code with the My Coke Rewards code. Register for My Coke Rewards and get more information on how to donate points to our school at www.mycokerewards.com/schools
